“Teach us to pray often; that we may
pray oftener.”

Jeremy Taylor (1613-1667),
English writer & Anglican Bishop

The calendar year of 2017 draws to a close, but as the body of Christ at Camp Hill UMC and across the globe, we continue to engage in a transformational conversation – one with God, with each other, and one in ministry to all the world. We trust this year that this conversation held each day during our Prayer Time (PT) session has been and will always be for us truly a physical therapy. That it will transform us, body, mind, and spirit and thereby transform the courageous conversations we hold with one another, which have the power to transform the world.

Ideas for prayer are shared from the church leadership for each day of the year. Feel free to add additional prayers that come to your mind and heart for people and situations in our local church, The United Methodist Church, the global church, and the wider world.
