“Intercession is the practice of coming before God in openness and honesty, during which we name our tenderest human need and our deepest hope for change and transformation, in the expectation that God will confer a blessing.”

*Shaping the Prayers of the People: The Art of Intercession*

As we enter the month in which Lent begins, as the body of Christ at Camp Hill UMC, we have a new opportunity to engage in transformational conversation – one with God, one with each other, and one in ministry to all the world. Throughout the history of the church, Lent has ushered in a refreshing and challenging time of reflection and renewal. It is a time to re-set our direction, seeking to model our lives after Jesus’, as he keeps his eyes focused on the cross. We trust this year that in this new season, the conversation held each day during our Prayer Time (PT) session will continue to be for us truly a physical therapy. That it will transform us, body, mind, and spirit and thereby transform the courageous conversations we hold with one another, which have the power to transform the world.

Ideas for prayer are shared from the church leadership for each day of the year. Feel free to add additional prayers that come to your mind and heart for people and situations in our local church, The United Methodist Church, the global church, and the wider world.
