

Pastor's Paragraph

"Are you settled in?"

That question has been asked of Cindy and I several dozen times in the past two weeks.

Well, yes the boxes have been unpacked and have been recycled - my closet is in order - I finally, after ten days, found my white socks. So, yes we are settled in but truth be told not really.

Truth be told we are "moved in," settled in is another question.

I laugh at myself because when I reach for my favorite knives in the kitchen, they are not in the drawer where they have been for six years. I smile slightly when I walk into the office kitchen and go to put my lunch in the refrigerator and it is not where it was in the Wesley Church work room.

So maybe I am not yet settled – maybe I am unpacked, maybe I feel at home, maybe my office is in order but settled, no.

I am not sure, upon self examination, that I am ever fully settled. There is often within my soul a small part that is curious enough to be unsettled, a small part of my soul that is restless enough to be unsettled, there is a larger part of my soul that always wonders "what does God expect of me next?" That internal question will never allow me to be fully settled on this earth.

So the next time, and there will be a next time, when I am asked "Are you settled?" I will simply smile and say "I am getting there."

I wonder this week how that question resonates within you – are you settled?

Christian Sympathy

To friends of Gladys Worley. Gladys, a Camp Hill United Methodist Church member since 1941, died at 90 on May 14th. No services were held.

Our thoughts and prayers go out to her family and friends.

Prayer Time Calendars for the month of July are located at the back of the sanctuary, Wesley Center and at the Welcome Desk. We ask that you use the calendar as a part of your prayer time each day.

Service of Anointing for Healing – Next Sunday, July 22nd in the Celebration Service at 11am. If you have a desire or need for any type of healing – emotional, relational, physical, spiritual – come experience an ancient practice of the Christian church: anointing for healing. There is nothing magical about this practice – it is simply a prayerful act, surrendering ourselves to the fullness of the presence of God. Members of the prayer team will be available for prayer and support.

Guest Gatherings on Sunday Mornings - If you're bringing a new guest with you on Sundays in July, bring them to the Fireside Room, just off the Gathering Space, after worship at both 9:30 and 11am. There will be some snacks, a few lay people, and a pastor ready to greet folks and answer questions! Questions? Contact *Pastor Anna* – aknox@camphillumc.org.

Church Directory - Thanks to all who participated in our pictorial directory. For all who did not get their picture taken and would like to be in the directory, you will need to submit a photo and pay \$10 (check made payable to Camp Hill UMC). Bring in a vertical wallet or 4x6 photo by Monday, July 23rd. You can submit picture and check to the church office this week or between services at the Welcome Center on July 22nd.

It was time for a renewal! We are constantly trying to increase our communication effectiveness and we recognized our current bulletin layout was overloaded with information. In an effort to be good stewards of our resources, we decided to only print church-wide announcements each week. Don't worry, each mission team will have their own flyers that can be found at their designated location and also at the Welcome Desk. Another great way to stay up-to-date on church announcements is to sign up for the weekly e-newsletter at camphillumc.org.

Yoga Chapel: A Fresh Expression of Church - Do you have friends not currently attending church who might like to experience Christ through yoga practice? Yoga Chapel weaves together the stories of the Hebrew and New Testament scriptures with breath, prayer, and movement as we experience a unique approach to worship. Yoga Chapel meets Thursdays at Camp Hill UMC in the Courtyard, 7:00 - 8:15pm. Questions? Contact *Kristin Mooney* at mooneykris@gmail.com.

2018 Panguma Scholarship Campaign - As of last Sunday we have raised \$27,285 for the students in Panguma! Funds are still coming in and we remain optimistic that we can achieve our goal of \$35,000. If you would like to make a donation you may do so by sending your donation to the church office this week, giving through the church app, or by clicking "Support our Vision" at camphillumc.org Thank you so much for your generosity and heart for the youth of Panguma! THANK YOU! YOU ROCK!!!
