“The reality is, my prayers don’t change God. But, I am convinced prayer changes me. Praying boldly boots me out of that stale place of religious habit into authentic connection with God Himself.”

Lysa TerKeurst

Prayer is an invocation or act that seeks to activate a rapport with our God through deliberate communication. For all of us at Camp Hill UMC prayer can take a variety of forms, it can be part of a set ritual, it can be performed alone, or in groups. Prayer may take the form of a hymn, formal creedal statement, or a spontaneous utterance. In all the ways we talk to the one another, we talk to God. Prayer is a relationship, wherein we humbly communicate, worship, and sincerely seek God’s face, knowing that God hears us, loves us and will respond, though not always in a manner we may expect or desire. Prayer can encompass confession, praise, adoration, supplication, intercession and more.

Ideas for prayer are shared from the church leadership for each day of the year. Feel free to add additional prayers that come to your mind and heart for people and situations in our local church, The United Methodist Church, the global church, and the wider world.
